

## Letter of Recommendation

10th May 2019

To Whom It May Concern,

I am pleased to write this letter of recommendation for **Saksham Taneja**. Saksham worked for us as **Campus Ambassador** at FrontBench from **January - April 2019**. As a Campus Ambassador, Saksham was responsible for managing FrontBench activities at campus, outreach and promotion.

During Saksham's service with us, I interacted frequently with him and depended on him. Very goal-oriented, Saksham was always punctual. He was dedicated to his work and the job at hand.

I wish him the best of luck for his future career.

Sincerely,

Deepak Kumar
