Recommendation Letter

To Whom It May Concern

Saksham Taneja worked on profile of Business Development at Adhoc Networks for 3 months (10th May 2018 to 31st August 2019). During his association with Adhoc Networks, he worked on various project and performed as per expectation. Meanwhile he also provided mentoring to other summer interns in their projects in the month of May and June.

Saksham Taneja possesses the ultimate “Can do” attitude while taking on all tasks with positive energy. He has fulfilled all his responsibilities with full dedication and honesty.

It was pleasure working with him and Adhoc Networks is grateful to have had him as a part of the team. I purely believe he would be an asset to any employer that he will be employed with and I recommend him for any endeavour he chooses to pursue.

Thanks for consideration.

Regards,
